To Whom It May Concern,

Margaret Geary completed her Professional Semester Three (P.S.III) practicum from the University of Lethbridge at Mike Mountain Horse Elementary School. Margaret's responsibilities included teaching half time Music to Grades Two through Grade 5 inclusive and Social Studies in a Grade 5 classroom from August 26, 2013 to December 20, 2013. It is a privilege to write a letter of reference for Margaret.

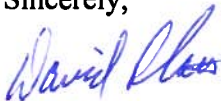

Margaret definitely knows her students. She is able to identify both their strengths and areas in need of growth. Margaret recognizes that all children are different, and that a variety of teaching techniques are necessary to reach her students. Her lesson presentation reflects student maturation, their abilities and talents, their prior knowledge in a variety of subject areas, and cultural backgrounds.

Margaret plans effectively to insure that learning is developmentally appropriate and progressive in nature. She is very organized and thorough.

Margaret has developed a tremendous rapport with both students and colleagues at our school. Her students view her as a very warm, approachable, positive and energetic person. Margaret is very willing to share her expertise with colleagues and help out wherever possible.

Margaret is passionate about teaching! She loves what she does, and it definitely shows! I know she will be successful in any teaching position she applies for. If you have further questions about Margaret, please feel free to contact me at (403) 381-2211 and I would be happy to talk with you.

Sincerely,

David Platt
Vice-Principal
