To: Whom It May Concern

Re: Margaret Geary

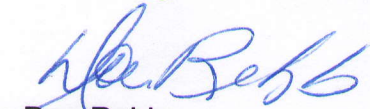

It has been my pleasure to get to know and work with Margaret over the past year, through the University of Lethbridge Jazz Ensemble, the Lethbridge Jazz Society and Contemporary Works Jazz Orchestra. Without exception, she has shown herself to be very dedicated and very capable as a musician and as a leader.

In particular, she enthusiastically took on the task of "Coordinator of Volunteers" for the 2011 Lethbridge Jazz Festival. This event ran from June 16-19 and operated in several venues. Margaret organized volunteers to take tickets, distribute programs, operate the bar service, assist musicians and other miscellaneous duties. There were six different concerts requiring volunteers. Each event was well-staffed with volunteers. This certainly contributed to the overall success of each concert and thus the entire Jazz Festival.

I am looking forward to working more with Margaret on other Jazz Society events as well as our next Jazz Festival.

I am very pleased to write this letter of recommendation for her and know that any organization will certainly benefit from her skills and enthusiasm.

Yours truly,

Don Robb
President,
Lethbridge Jazz Society
